Dear Sir:

On June 16, 2003, Applicants filed a Request for Continued Examination and a Supplemental Information Disclosure Statement. By telephone conference with Examiner Douglas Wille this morning, these papers apparently have not yet been matched with and entered into the file. Examiner Wille had kindly called to inquire as to whether we had filed a further response to the outstanding Final Office Action of December 23, 2002 and the Advisory Action of June 26, 2003.

Serial No. 09/930,538

During the telephone conference with Examiner Wille, it became evident that the Request for Continued Examination inadvertently did not include a request for entry of the previously filed Amendment Under 37 C.F.R. § 1.116. Applicants respectfully request entry and consideration of this previously filed, but unentered, Amendment. Applicants sincerely regret the error and apologize for the inconvenience.

Respectfully submitted,

Joseph A. Walkowski
